### Action taken report of the University on feedback report Academic year: 2022-23

Feedback has been an integral part of the relentless efforts towards excellence of the institution. The curriculum development and improvement have been given a major emphasis in the feedback process. Structured feedback has been taken, both online and offline, from different stakeholders; students, alumni, teachers, employers and professionals. The feedback collected is analysed and the following action were taken accordingly.

### Students feedback suggestions and action taken
